MTG

150% better grip and traction than standard outsoles – even on wet, rocky or uneven terrain.

Waterproof and breathable membrane that keeps your feet dry and comfortable in any weather.

Dual-density recycled PU foam and breathable top layer fight fatigue, odour and irritation – perfect for long days outdoors.

**Performance Foam Technology (PFT)**  
Lightweight, flexible and durable foam designed to enhance comfort and reduce fatigue on long treks.

Made with recycled materials and components  
– reducing environmental impact without  
compromising performance.
