SJ-TEX
SJ Tex is a high-performance membrane that offers waterproof protection without compromising breathability.

Breathable leather upper
Natural leather provides a high degree of wearer comfort combined with durability in versatile applications.

SJ Foam Adventure
Featuring two layers of recycled PU foam with different densities and a recycled polyester top layer, the SJ Foam Adventure is perfect for long hikes and demanding outdoor activities.

SJ Foam Adventure Winter
Stay warm and comfortable on any adventure with SJ Foam Adventure Winter, designed for optimal insulation and support.

Rubber outsole
Rubber outsoles provide versatile functions that make them suitable for many areas of application: excellent cut resistance, heat and cold resistance, high flexibility at cold temperatures, resistance against oil, fuel and many chemicals.

Environments:
Dry environment, Wet environment, Uneven surfaces

Maintenance instructions:
To extend the life of your shoes, we recommend to clean them regularly and to protect them with adequate products. Do not dry your shoes on a radiator, nor nearby a heat source.
