SJ-TEX

SJ Tex is a high-performance membrane that offers waterproof protection without compromising breathability.

Breathable upper

Increased moisture and temperature management for extended wearer comfort.

SJ Foam Adventure

Featuring two layers of recycled PU foam with different densities and a recycled polyester top layer, the SJ Foam Adventure is perfect for long hikes and demanding outdoor activities.

Rubber outsole

Rubber outsoles provide versatile functions that make them suitable for many areas of application: excellent cut resistance, heat and cold resistance, high flexibility at cold temperatures, resistance against oil, fuel and many chemicals.

Environments:

Muddy environment, Wet environment, Dry environment, Uneven surfaces

Maintenance instructions:

To extend the life of your shoes, we recommend to clean them regularly and to protect them with adequate products. Do not dry your shoes on a radiator, nor nearby a heat source.
