TAU

KHA

Breathable leather upper

Natural leather provides a high degree of wearer comfort combined with durability in versatile applications.

Heel energy absorption

Heel energy absorption reduces the impact of jumps or running on the body of the wearer.

Waterproof (WR)

Waterproof footwear prevents liquids to enter into the shoe.

Rubber outsole

Rubber outsoles provide versatile functions that make them suitable for many areas of application: excellent cut resistance, heat and cold resistance, high flexibility at cold temperatures, resistance against oil, fuel and many chemicals.

Removable insole

Renew your insole at a regular base or use your own orthopedic insoles for a higher comfort.

Environments:

Muddy environment, Wet environment, Uneven surfaces
